2022 HUTTON VALE FARM RIESLING (OFF-DRY STYLE)

Colin Angus was quick to realise the potential for the Eden Valley to be an exceptional region for Riesling and planted a vineyard on a gentle slope in the 1960's. Whilst considered a single vineyard, there are two distinct sections. The top section planted on the leanest soils and more exposed to the wind produces very tightly structured fruit with crisp, vibrant acidity. The bottom section, on deeper, more vigorous red soils produces plumper bunches of fruit that showcases more fresh aromatics and citrus zing.

Vintage: 2022
Variety: Riesling
Region: Eden Valley
Vineyard: Single Vineyard, Hutton Vale Farm
Tech Analysis: Alc vol.: 8.9% pH: 2.78

Winemaking:

A balmy vintage in 2022 led to perfect growing conditions for Eden Valley Riesling with high quality fruit. Fermented slightly cooler than its drier cousin, the longer ferment allowed for maximum expression of character. The ferment was stopped with 45g of residual sugar when the wine was at its floral best with citrus driven acidity bringing balance to the richness of the palate. The vintage conditions lent themselves well to high quality, expressive white wines in 2022 and this is no exception.

Tasting Notes:

Lemon sherbet, citrus blossom and candied ginger immediately jump out of the glass. The generosity of the palate is highlighted by white fleshed stone fruit and honied florals, finishing crisply with juicy acidity – the perfect foil to any lingering sweetness. Ideal with something spicy or to accompany that Sunday afternoon cheeseboard.
