2023 HUTTON VALE FARM RIESLING (OFF-DRY STYLE)

Colin Angas was quick to realise the potential for the Eden Valley to be an exceptional region for Riesling and planted a vineyard on a gentle slope in the 1960's. Whilst considered a single vineyard, there are two distinct sections. The top section planted on the leanest soils and more exposed to the wind produces very tightly structured fruit with crisp, vibrant acidity. The bottom section, on deeper, more vigorous red soils produces plumper bunches of fruit that showcases more fresh aromatics and citrus zing.

Vintage: 2023
Variety: Riesling
Region: Eden Valley
Vineyard: Single Vineyard, Hutton Vale Farm
Picking date: 30th March 2023
Tech Analysis: Alc vol.: 10.5% pH: 3.21

Winemaking:

A long and cool spring with good rainfall and mild summer conditions meant that the fruit for this wine was picked a few weeks later than normal. After a cool fermentation in stainless steel for 14 days the wine was chilled in order to stop the ferment, hence leaving around 30g/L residual sugar. This sweetness brings richness to the palate but paired with the lovely natural acidity the wine is balanced and shows amazing floral and citrus characters.

Cellaring:

Drink cold now on a hot day or, if you have the patience, squirrel a few away to be rewarded over the next 5-10 years.
